

ANNOUNCEMENT

The Fifth Annual Meeting of the Association of Managerial Economists (AME) will be held in Chicago, Illinois, 28-30 December 1987. Three sessions of competitively selected papers will be featured in conjunction with the ASSA meetings. Theoretical, empirical and policy analyses across a broad spectrum of topics will be featured, including: theoretical and empirical studies of ad-

vertising, competitive strategy, diversification, financial decisions, forecasting, innovation and pricing. Especially encouraged are papers integrating the theory of accounting, finance and industrial organization in topic areas such as: the market for corporate control (buyouts, mergers, share repurchases, spinoffs), managerial labor market, measuring monopoly profits, and the informa-

tion content of accounting data. Both members and nonmembers are invited to submit papers and/or make program suggestions to Professor Mark Hirschey (AME Program Chair), Jones Graduate School of Administration, Rice University, P.O. Box 1892, Houston, TX 77251, USA (713/527-8101, ext. 2549). Submission deadline: 15 July 1987.
